

Navigating the Road to Digital Business Transformation at Scale

Executive Exchange @ HPI – March 2023

Dr. Andreas Hamprecht – CIO & CDO DB Regio AG

Digital Transformation:
integration of digital technology into
all areas of a business

**Strong
Rail**

Digitalization

IT

**Corporate Strategy,
IT & Digitalization
belong together**

**IT helps Digitalization &
the other way around**

**IT
Security**

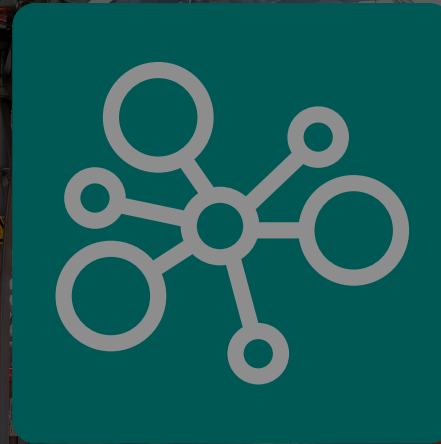

**Data
Management**

**IT
Architecture**

**IT
Security**

**Data
Management**

**IT
Architecture**

Securing the assets.

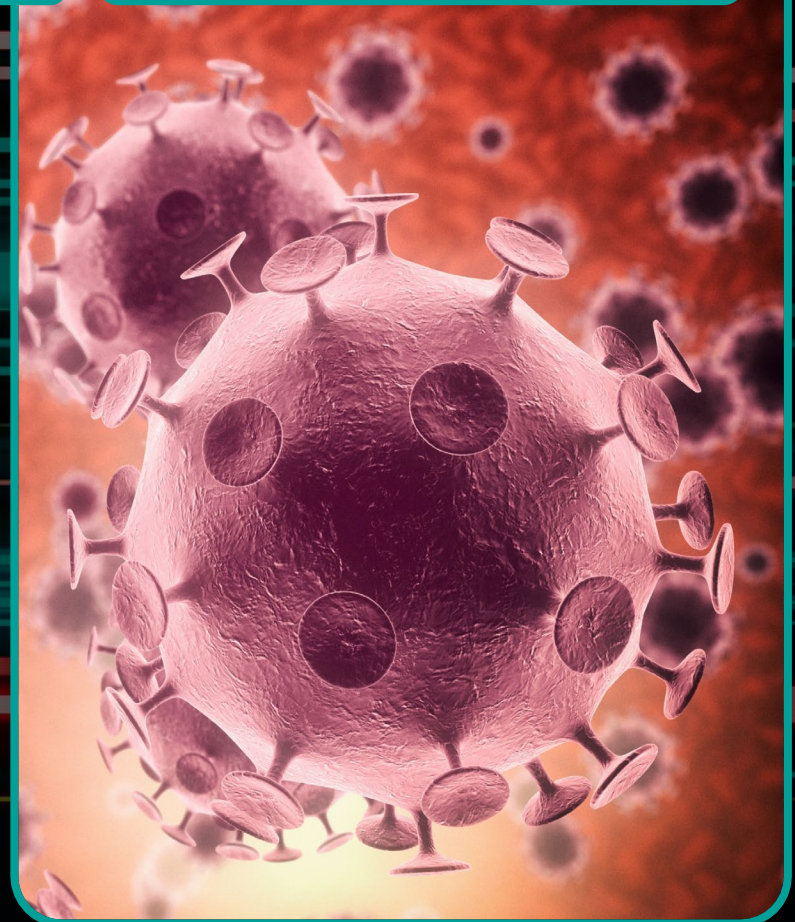

1

Getting fit.

2

Fending off attacks.

**IT
Security**

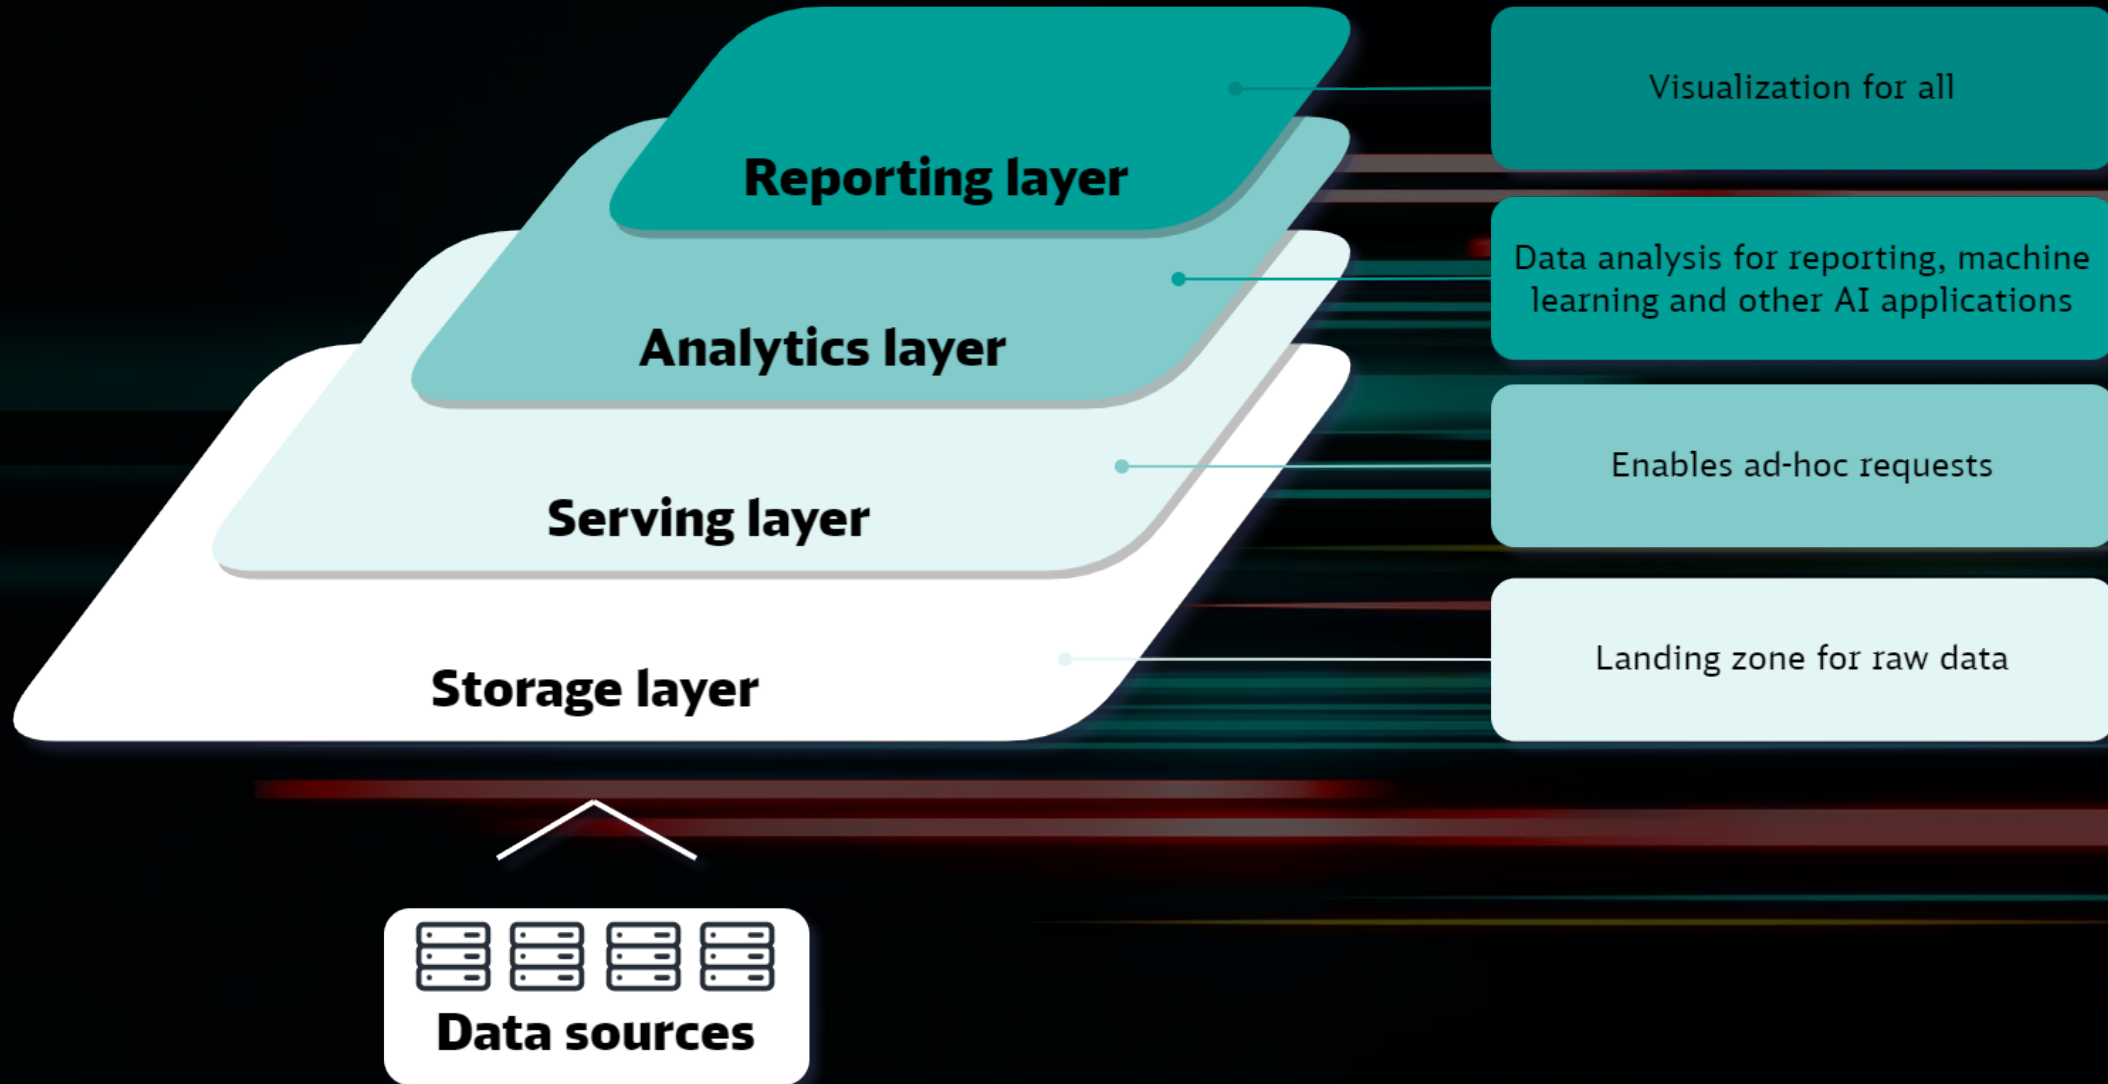

**Data
Management**

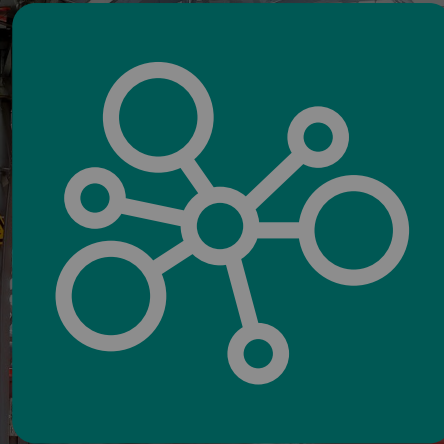

**IT
Architecture**

Creating a high-performance data infrastructure.

**IT
Security**

**Data
Management**

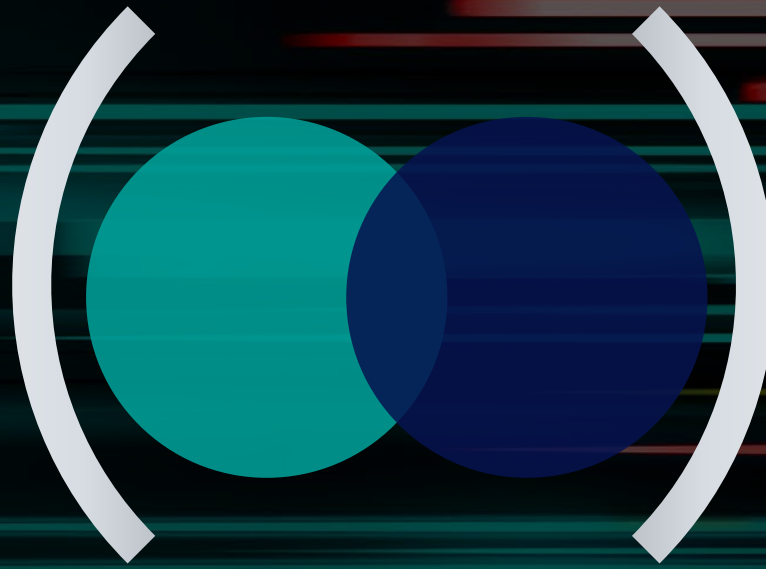

**IT
Architecture**

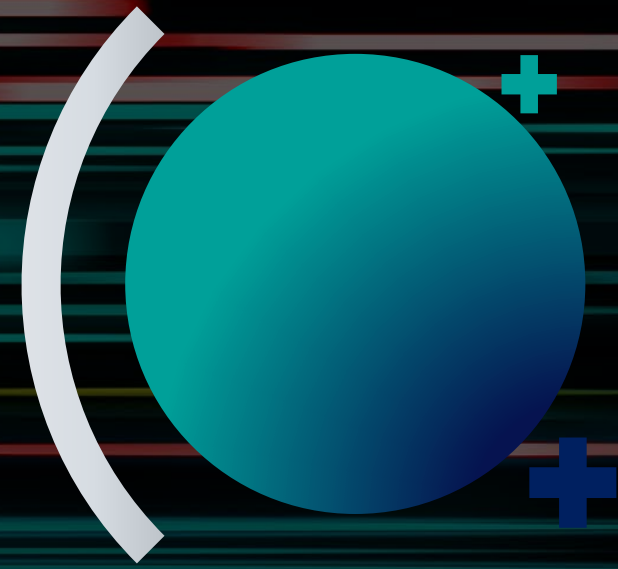

Developing a new brain.

**Isolated Legacy
IT Systems**

**Creating a new
common logic**

**Modular Architecture
for the next generation**

Thank you & let's stay in touch!
